In continuation of this office letter No.C.1455-18 dated 28th June 1947, I have the honour to forward herewith, for favourable consideration, a copy of letter dated 20-6-1947 received from Miss Lalitha Lingiah, Lady Assistant Surgeon, now at the University Hospital, Ann Arbor, Michigan, U.S.A. on higher studies, requesting for the grant of additional amount, under the circumstances explained by her.

Letter dated 20-6-1947 from Miss Lalitha Lingiah, M.B.B.S., C/o. Dr. Miller, Head of the Department of Obstetrics and Gynaecology, University Hospital, Ann Arbor, Michgan, U.S.A. to the Chief Medical Officer, Women's Hospitals in Mysore, Bangalore.

I reached Ann Arbor safe on the 8th. I was supposed to get the quarterly instalment on or about the 10th of this month through the American Express Company. I have not received any money so far. So I have written to the American Express Company about ten days ago.

Our classes will start from the 23rd of this month and I have to pay tuition fees of 75 dollars this term. I have not yet purchased the books.

The living here is very costly and I find it very difficult to manage with the amount that is granted to me. The India Government scholars and the Mysore Government scholars under the developmental scheme are given 160 dollars per month; Tuition fees, 50 dollars for books per year and 250 dollars per year for touring expenses in the States.

I request you to kindly give me the same facilities.
